

**Resignation of Professional Staff
(Mandatory Reporting Requirements)**

The following procedures apply to the reporting of allegations against or offenses committed by licensed personnel who resign from the BOCES.

Mandatory reporting requirements – unlawful behavior involving a child

If an employee resigns as a result of an allegation of unlawful behavior involving a child, including unlawful sexual behavior, or an allegation of a sexual act involving a student who is eighteen years of age or older, regardless of whether the student consented to the sexual act, which is supported by a preponderance of the evidence, the executive director must notify the Colorado Department of Education (CDE) as soon as possible but no later than 10 business days after the employee's resignation.

The executive director must provide any information requested by CDE concerning the circumstances of the resignation. The BOCES also must notify the employee that information concerning the resignation is being forwarded to CDE.

If the BOCES learns that a current or past employee has been convicted of, pled *nolo contendere* to, or received a deferred sentence or deferred prosecution for a felony or a misdemeanor crime involving unlawful sexual behavior or unlawful behavior involving children, the executive director must notify CDE.

NOTE: The Every Student Succeeds Act (ESSA) requires BOCES that receive ESEA funds to have policies in place that prohibit the BOCES from assisting an employee in obtaining a new job if the BOCES knows, or has probable cause to believe, that such employee engaged in sexual misconduct regarding a student or minor in violation of the law. The BOCES is not prohibited from following routine procedures regarding the transmission of administrative or personnel files, but is prohibited from doing more than that to help the employee obtain new employment. 20 U.S.C. 7926. This provision is intended to prevent teachers or other school staff who have engaged in sexual misconduct with a student or minor at one school from obtaining employment at another school, without that school's knowledge of the prior misconduct. In sum, the BOCES must ensure that it complies with state law mandatory reporting requirements as well as not offer employment assistance as prohibited by the ESSA when contacted by another school for information regarding an applicant's fitness for employment.
