

Work-Based Learning Resource List

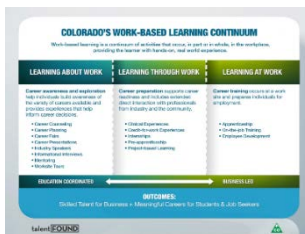

Statewide Resources

- **TalentFOUND** talentfound.org - the landing page for Colorado's talent development network. A great place to start is via the Explore tab on the home page. Clicking through the Get Started  Student navigation opens the zip code-based database with extensive resources, including support services to help students and job seekers identify resources to help address barriers and support their paths into meaningful careers.
- **Apprenticeship Evolution** apprenticeshiprevolution.com - landing page for exploring apprenticeships in Colorado.
 - Intro video: <https://vimeo.com/271920200>
- **Careers In Colorado** careersincolorado.org - The website where career pathways work is shared.
- **College In Colorado** www.collegeincolorado.org
