

Student Interest Survey

1. What topics are you interested in studying about?

Civil rights	Photography	History 5
Literature	Space	Theater
Math 3	Writing 2	Sports 4
Animals 5	Local Politics	Video Games
Computer Programming	Music 4	Robots
Science 5	Technology 2	Ancient Earth
Art 2	Astrology	Nature

2. If you could learn about anything in the world, what would it be?

Engineering 4	Time Travel	Theater and Acting 3
Space 3	Mythology 2	History
Sports	Computer Science	Veterinary Science
Spain	Cars	Olympic Training Methods 3
Animals 2		

3. Circle the places that you would be interested in visiting:

Art Museum 9	Science Lab 11	Observatory 8
Historic Sites 5	University Campuses 4	History Museum 9
Ropes Courses 16	Theater Production 8	Musical Event 10
Natural Park 8	Outdoor Adventure 10	Zoo/Aquarium 17
Archeological Center 4	Butterfly Pavilion/Insect Center 8	State Capital 9
Museum of Nature/Science 10	Denver Mint 8	
OTHER (Students Added)		
US Olympic Training Center 4	Zapata Falls 2	Comic Con
SkyZone	Corvette Museum	Smithsonian

4. What do you like to do in your free time?

Reading 9	Writing 2	Singing 2
Play Sports 7	Play Musical Instrument 6	Art
Ride Horses	Attend Theater 2	Play Video Games 7
Play with Pets	Watch Movies 2	Cars
Camping	Karate	Ride Dirt Bikes

5. If you could travel anywhere in the state, where would it be? And why?

New York	Estes Park/Rocky Mountain National Park 2	Denver 6 (Generally because of the "cool" stuff there, shopping)
Zapata Falls 2	DMNSci 2	Capitol
Boulder	Vail	A Computer Science Class
The Furniture Row Racing Team	The US Olympic Training Center 2	

6. Do you have a special talent or interest?

Explosions	No	Acting
Science	Math 2	Sports 6
Horses	Writing 2	Space
Reading 4	Technology	Engineering
Art 2	History	Singing 2
Karate	Video Games	Programming

7. Where would you like to go on a GT field trip this year?

The Smithsonian	Planetarium	Mint
Denver Museum of Nature and Science 2	Zoo 2	Aquarium
Theater 3	NASA 2	Elitch's
Ropes Course	USOTC 2	

8. What are you interested in studying about in GT this year?

Animals	Math	Environmental Science
History 2	Technology	Sports 2
Science 3	Space 2	Fish Farming
Theater	Music	Animal Behavior
Surgery	Video Games	Computer Science
Snowboards		

9. What can teachers do to capture your interest?

Teach educational things that are fun and cool. Teach interesting things. Back Flips. Field Trips (multiple responses). More Time to read. More time to learn technology. Be Interesting. ANYTHING. Multiple responses for Hands on activities. Movies. Embarras themselves. Make it fun. Show Videos. Teach the things I am interested in learning. Talk about cars and bombs and explosions. Create a sand volleyball court. Build things hands on. More visual presentations.
