

Dear Parents:

Please help me know your child better by answering the following questions:

Child's name: _____ School attended last year: _____

What interests and/or talents are you most proud of watching your child develop?

What specific skills and/or interests would you like to see your child develop this school year?

Would you have time and interest in assisting the class in some capacity?

I would appreciate any health, birth, or experience information that might help me better understand your child. Please use any space below to briefly describe your child as you know him/her.

Thank you,
